

UE2 SPÉCIALISATION

ECTS
30 crédits

Composante
UFR de
mathématiques
et
informatique
(UFR27)

Période de
l'année
Automne

Liste des enseignements

Choix de 10 matières

Cloud & pervasive computing		30h
Configurable & self-adaptable systems	3 crédits	30h
Constraint reasoning and its applications		30h
Data Mining & Big Data		30h
Decisional systems		30h
Enterprise and Service-Oriented Architecture (ESOA) part 1	3 crédits	30h
Enterprise and Service-Oriented Architecture (ESOA) part 2	3 crédits	30h
IS quality and security		30h
Knowledge engineering and management		30h
Process mining		30h
Requirement engineering		30h
Variability, Software product lines and factories		30h
